The CloudLibrary is a platform that you can use to borrow digital content -- ebooks and eaudiobooks. This platform is one-copy, one-user, which means that each title checks out like a physical library book would. Smithton PLD patrons may place up to 5 holds at once, and have 5 items checked out per card.

The titles offered on the CloudLibrary are ones you'd expect to be on our new shelf -- they include more recent, popular authors.

Check out your favorite app store to download the CloudLibrary app.

Choose "Illinois Heartland Library System" when prompted to select a library.

Questions? Call us! We're happy to help. (618) 233-8057

We also offer another digital econtent platform called Hoopla®. This platform is simultaneous use -- meaning what you see in the catalog is available instantly to download! There are ebooks, eaudiobooks, movies, TV shows, comics and even magazines!

Check out the details on page 9.

# Meet the Library Social Work Intern!

My name is Sarah Mueth and I am the Social Work Intern here at Smithton Public Library! I will be here from January until July 2023.

I have been a teacher for the past seven years and received my bachelors degree from the University of Illinois in 2016. I am now in the process of working toward my master's in Social Work from Aurora University and plan to graduate in 2024.

## What is a Library Social Worker?

The library has always been considered a safe place for its patrons. My job is to add to that idea by providing social services to anyone that might need it. This could include programming that is centered around mental health, social emotional learning, navigating complicated government programs, or anything else the community might need.

## Office Hours

-  If you would like to set up a time to meet, please do not hesitate to reach out via phone or email.
-  I will be available for drop in meetings at the library every Monday, Wednesday, and Thursday from 4:00 PM to 8:00 PM.

### Programming

Organize social service programming centered around the needs of the Smithton community

### Referrals

Refer patrons to social work services. This could include referrals to community resources, government benefit application services, and more.

### Support

Provide support and advocacy for patrons and staff of the library.
